**Our experienced agents are pilots, too — with a passion for aviation — and a deep commitment to our clients.**

*Count on us to:*

- › *understand your unique needs*
- › *guide you to the right coverage*
- › *secure competitively-priced policies*
- › *provide first-class service*

**We're a family owned-and-operated agency, founded on the principles of superior client service and exceptional aviation knowledge.**

## **Our Team**

Our agents have more than 80 combined years of insurance experience and decades of piloting under their belts—flying everything from small pleasure aircraft to large commercial jets. We know that the aviation sector is unlike any other and each client's need is unique.

## **Our Approach**

We're dedicated to protecting our clients and assuring their peace of mind by crafting customized insurance packages secured at competitive prices. We take a holistic view of each situation, find creative solutions, and build trusted relationships centered on industry-leading service.

## **Our Clients**

Since 1999, we've met the insurance needs of thousands of pilots, aircraft owners and renters, charter operations, and flight schools, as well as airports, FBOs, maintenance facilities, and more. We're proud that aviation enthusiasts and flight-focused businesses from coast to coast continue to rely on us.

To provide the best coverage for the most competitive price we work exclusively with insurance carriers that have earned an “A” or better rating from the prestigious AM Best global rating agency.

Our wide range of policies includes coverage for:

- › *Aerial Applications*
- › *Agriculture Aircraft*
- › *Airlines*
- › *Airports*
- › *Airport Liability*
- › *Charters*
- › *Commercial Aviation*
